

FORM FOR REQUESTING A WILL / POWER OF ATTORNEY

(to be completed and faxed to the Law Offices of S. Shub at 416-222-4277 or to be sent by mail to the Law Offices of S. Shub)

NOTES: (1) This form must be completed and faxed for each individual person requiring a will since “joint wills,” (in one document) are not done in Canada as each person or each spouse must have his or her own separate will.

(2) Even though a person might not own significant assets today, one cannot foresee the future with respect to what assets a person might accumulate over time including assets from gifts, inheritance, lotteries, business ventures, etc. No one can predict the future as to what one might own or control at the time of one’s death. Our offices do NOT need to see a list of your current assets since such assets will inevitably change over time and since our wills focus on a formula for distribution of whatever assets you might own at the time of death. You decide on your own formula for distribution (usually percentages or shares of whatever you own being given to each of your intended heirs or beneficiaries).

(3) When wills are being done in the law offices of S. Shub, we focus strictly on methods of distribution for whatever assets you own at the time of death, rather than using estate planning methods for tax reduction, for which one should consider consulting an estate planning specialist.
